ABF 1000 Auto Patty

Benefits

The ABF 1000 is a fixed speed heavy duty, versatile auto patty machine. Its innovative design makes it a perfect entry level machine, ideal for small burger shops all the way up to larger supermarkets. Its small footprint makes it ideal for tight areas. Drum sizes from 50mm up to 130mm

Features

- Fixed Speed up to 1000 patties an hour
- Up to 2300 per hour with double drum
- No dismantling tools required
- Standard conveyor belt 390mm
- Heavy duty frame
- Auto paper feed included
- Stainless steel paddle for extra strength
