MG350 INOX WASHDOWN

Benefits

The MG350 meat slicer is an industrial heavy duty machine, gravity fed, gear drive manual slicer. A Stainless Steel IP65 washdown machine constructed from 18/8 grade stainless steel, to withstand the harshest environments such as hospitals, large supermarket chains and government detention facilities. Designed to meet Australian Food Authority regulations, with safety features in compliance with CE and Australian Work Health & Safety legislation.

Features

- Industrial Gear Drive
- IP65 Washdown Model
- Built in sharpener
- Thickness 0 to 25mm
- Fully enclosed blade
- Carriage safety locking mechanism
