## SteakStar Strip

### Benefits

The SteakStar Strip is a heavy duty gear drive unit designed to produce a strip cut meat. Available in 4mm, 10mm or 15mm for meat or poultry. With a 1/2HP heavy duty motor, the "SteakStar Strip" is a hard-working, heavy duty machine without an annoying flimsy plastic cover.

### Features

- Gear Drive
- Available in 4mm, 10mm or 15mm
- Opening 240mm x 25mm
- Stainless steel body
- Safety protection microswitch
- Stainless Steel replaceable blades
- Optional Tenderiser unit available
